

2010 Australian General Practice Training

APPLICANTS SEEKING EXEMPTION FROM THE 10-YEAR MORATORIUM

If you are an applicant, who is seeking, or intends to seek, an exemption from the 10-year moratorium under Section 19AB of the *Health Insurance Act 1973*, your request **must** be submitted to the Department of Health and Ageing addressed to:

The Assistant Director
Workforce Regulations Section

at:
MDP50
Department of Health and Ageing
GPO Box 9848
Canberra ACT 2601

or:
Facsimile: (02) 6289 1352

or:
Email: 19AB@health.gov.au

The Department will need a detailed statement from you explaining why you require an exemption – be sure to advise them that you want to apply for the Australian General Practice Training program. You will need to supply supporting documents as to why you need to stay in a metropolitan area.

These requests can take some time to be processed by the Department and it is strongly suggested that you do not wait for the Selection process to open in May 2009 before submitting an exemption request as we cannot process a general pathway application until the exemption is confirmed.
