Sponsored Attendance at General Practice focused events
GPSN
General Practice Student Network

• GPSN Clubs at 3 Universities - sponsorship of and attendance at events

• Encourage GP Registrars and Medical Educators to volunteer at skills workshops and speak at career events

• Work collaboratively with GPSN Ambassadors
Universities
Medical Student Clubs
Rural Health Clubs

• Medical student clubs and rural health clubs at 3 Universities - sponsorship of and attendance at events

• Encourage GP Registrars to speak at career events
Universities
Rural Clinical Schools

- Rural District Offices establishing close ties with rural clinical schools
- Continual presence and involvement in clinical school activities and workshops
- Relationships
**GPSN**

*First Wave Scholarship Awards*

- Quality early exposure and relationship building opportunities
- Introduction to “GP Culture” of learning and sharing
- Early career exposure to Academic Pathways
Going Places Network

- Integral part of RTP marketing in prevocational environment
- Events and joint sponsorship
- Going Places magazine and enews
- Early career leadership roles – encourage GP Registrars to become GPN Ambassadors
**PGPP Program**

- A key marketing tool for the AGPT Program
- Genuine “try before you buy” experiences for Junior Doctors and Supervisors
- Furthering relationships between RTP’s and Hospitals – bridging the divide
Prevocational Medical Education Forum

- Off shoot due to our PGPP Program Engagement

- Opportunities for forum experience – submission of abstracts and presentations by us as an RTP and Junior Doctors

- Consequential Marketing to Hospitals by showcasing our program outcomes and successes.
Hospital Promotional Events

• Education within hospitals – “GP style”

• Arena for “talking” about GP and answering questions

• Providing information about, and personalising the application process

• Raising awareness of process and stakeholders (what is an RTP?)
Welcome!

AGPT Registrars

- Rural Family Weekend
- Annual CSQTC EXPOsed Event
- Ongoing communication and opportunities for learning, networking and educating
