Young man, there's no need to feel down.
I said, young man, pick yourself off the ground.
I said, young man, 'cause you're in a new town
There's no need to be unhappy.

Young man, there's a con-sort-i-um.
I said, young man, they'll get you off your bum.
You can join them, and I'm sure you will find
Many ways to have a good time.

They have everything for you men to enjoy,
You can hang out with all the boys ...

You can get fellowship, you can learn how to heal,
You can do whatever you feel ...

Young girl, are you listening to me?
I said, young girl, what do you want to be?
I said, young girl, you can make real your dreams.
But you got to know this one thing!

No girl does it all by herself.
I said, young girl, put Murtagh on the shelf,
And just go there, to C-S-Q-T-C.
I'm sure they can help you today.
